### Day 2: Arrival in Athens

*Included meals: welcome dinner*

Welcome to Greece! Land in Athens, Europe's oldest capital city and "the cradle of Western civilization." Transfer to your hotel and relax for a while before meeting your Tour Director and fellow travelers at a welcome dinner, served with your choice of beer or wine.

### Day 3: Sightseeing tour of Athens

*Included meals: breakfast*

Meet up with a local guide for an introduction to Greece's bustling capital, home to the world's first democracy and over 3,400 years of recorded history.

- Pass by three points of interest: the Panathenaic Stadium, Syntagma Square, and the Arch of Hadrian. Now home to various local soccer teams, the Panathenaic Stadium, built entirely out of marble—the only such stadium in the world. Syntagma Square memorializes the signing of the first Greek constitution in 1844, following an armed rebellion against the rule of King Otto. Carved from marble and standing since the second century, the Arch of Hadrian is an iconic landmark of modern-day Athens.
- View the ruins of the Temple of Olympian Zeus. Built less than a kilometer from the Acropolis, this structure dates back to the sixth century B.C. and, when intact, was the largest temple in Ancient Greece.
- See the classically inspired Old Royal Palace, home of the Hellenic Parliament, and drive through Plaka—the historic "neighborhood of the gods" built in the shadow of the Acropolis.
- Set off on a walking tour around the Acropolis of Athens, a millennia-old, UNESCO-listed citadel and the enduring

image of Greece. First properly developed by the renowned politician Pericles, it now contains the ruins of the Parthenon, Temple of Athena Nike, Erechtheion, and dozens of other archaeological sites.

Enjoy a free afternoon in Athens or add an excursion.

## Greek Islands Cruise → 3 nights

### Day 5: Cruise embarkation & Mykonos

*Included meals: breakfast, lunch, dinner*

Make your way to Piraeus—Athens' port and the largest passenger terminal in Europe—to board your Greek cruise ship. Get settled in your stateroom and enjoy an included lunch and dinner (with plenty of relaxation in between) as you sail to iconic Mykonos. Rising out of the Aegean Sea, this rocky Cycladic Island ranks as one of the most popular in all of Greece.

- Disembark and join your Tour Director for an evening walk through the island's charming Old Town. Dubbed Chora (simply "town"), Mykonos' main settlement is a beautiful network of brilliant white homes, cerulean doors, and pops of bougainvillea.
- See the island's windmills—some of which are visible from any point in the old town—the seaside Little Venice neighborhood, and the 17th-century Church of Panagia Paraportiani.
- Enjoy free time to explore Chora's vibrant, labyrinthine alleys, made even more dazzling by the Mykonian moonlight.

### Day 6: Sightseeing tour of Santorini

*Included meals: breakfast, lunch, dinner*

Continue sailing along the Aegean Sea and

disembark for a tour of Santorini, a popular vacation destination known for its black-sand beaches, cliff-lined shores, and archetypal Cycladic architecture. (Blue domes, white walls—you know what we mean!)

- Upon arrival, meet your local guide and take a tender boat to port, where you'll transfer to the picturesque village of Oia.
- Take in views of Santorini's famous caldera, the legacy of an eruption that decimated the area in 1600 B.C.
- Head to Fira, the island's clifftop capital and cultural center, for some time to yourself.
- Return to your ship for an included lunch or stay in town for a while longer, enjoying panoramic vistas and famous landmarks like the aptly named Three Bells of Fira.

Set sail for Rhodes and sit down for an included dinner, served with your choice of beer or wine, aboard the ship this evening.

### Day 7: Rhodes

*Included meals: breakfast, lunch, dinner*

Today, disembark in Rhodes, the largest of the Dodecanese islands and the former site of an ancient wonder of the world: the Colossus of Rhodes. Forged from bronze and iron in the third century B.C., this statue of the Greek sun-god Helios once stood as tall as the Statue of Liberty.

- Experience the island's one-of-a-kind cultural heritage at your leisure or sign up for a shore excursion.
- Return to the ship for an included lunch or continue exploring Rhodes in your free time. If you're looking for a recommendation, we'd suggest visiting its walled Old Town. Fortified by the Knights of Saint John over the course of three centuries, this UNESCO World Heritage Site is surrounded by a 2.5-mile-long wall and contains a collection of Christian and Muslim monuments.

Return to your ship this evening for an included dinner, served with your choice of beer or wine, and chart a course for the Turkish coast.

*Please note: Travelers will be able to add shore excursions directly through the cruise line once on board.*

Afterward, head to a local winery, where you'll taste emir, narince, öküzgözü, and other wines made from Turkish grapes.
