Day 2: Blue Lagoon Spa Visit

\$159 (4.5 hours, departs in the afternoon)

Travel to the Blue Lagoon, a famed geothermal spa known for its restorative properties. The lagoon's light-blue water is a mix of freshwater and seawater, and is warmed deep in the Earth before being sourced and pumped into the lagoon by a nearby geothermal plant. Relax in the lagoon's spa, admire the surrounding lava field, and soak in beneficial minerals as you float weightlessly in the ethereal water. Please Note: On some departures, travelers may visit the Sky Lagoon instead of the Blue Lagoon if it is closed or Go Ahead feels there is a safety risk due to seismic activity, dangerous air quality, or magma accumulating beneath the Blue Lagoon surface. This excursion requires advance reservation and must be booked at least 45 days prior to departure.

Flåm. Meet back up with your group and get ready to see the fjords from the water. Hop aboard a high-speed inflatable Zodiac boat for a 90-minute cruise through the UNESCO-listed Nærøyfjord and the beautiful Aurlandsfjord. See the breathtaking Sagfossen waterfall and the small villages that dot the narrow waterways. The local guides on the boat will talk about the history of the fjords while pointing out wildlife, like seals and eagles. After the cruise, make your way back to Bergen by bus. Travelers prone to motion sickness and seasickness should take the proper precautions due to the possibility of choppy waters. Travelers should also be prepared for extensive walking along dirt paths and some uneven terrain.

Day 5: Falljökull Glacier Hike

\$149 (3.5 hours, departs in the afternoon)

Transfer to the rugged region of the Skaftafell Nature Reserve, located in Vatnajökull National Park, Europe's second-largest National Park. Skaftafell Nature Reserve boasts breathtaking scenery, from waterfalls to birch forests, and is home to Falljökull Glacier. After a safety presentation, strap on your crampons and head out with your certified glacier guide who will teach you all about the Falljökull Glacier, which is an extension of the mighty Vatnajökull, Europe's largest glacier. Learn about the glacier's formation, movement, and importance as you hike through fascinating ice formations, periwinkle blue ridges, and deep crevasses. Please note: Travelers must be at least 10 years old to join this excursion. An ice pick, crampons, helmet, and harness are provided. This excursion requires advance reservation and must be booked at least 20 days prior to departure.

Day 8: Akureyri Fjord Whale Watching

\$155/\$165* (3 hours, departs in the afternoon)

Take in the beauty of northern Iceland's varied landscape and keep your eyes open for wildlife as you enjoy a three-hour cruise on the Akureyri Fjord. As you cruise on the idyllic waterway, a local guide will tell you more about the fjord's ecosystem and history, and you may spot minke whales, orcas, humpback whales, dolphins and porpoises. Please note: This excursion is seasonal and runs from June through September.

Extension excursion options

Day 13: Scenic Norway: Fjord Hike & Boat Cruise

\$205/\$215* (10 hours, departs in the morning)

Spend the day journeying through Norway's fjord country, a region of otherworldly natural beauty. Travel from Bergen to Flåm, which is located on Aurlandsfjord. You'll soak in panoramic views of the fjord from the Stegastein viewpoint. Then, set off on an hour-and-a-half-long hike near Aurland to admire views over the fjord and mountains. After you've worked up an appetite, spend free time eating lunch and exploring
