You'll step inside the opulent château after it closes to the general public. Soak in the beauty of the castle on a private tour, admiring the colorful walls, intricate wood carvings on the ceilings, and built-in furniture as you make your way through the rooms. From the beds to the bureaus, each area of the castle has perfectly preserved pieces of 19th-century decor on display. See famous paintings of French royalty and the Rohan family while learning about their daring escape from persecution in France. After you finish touring the manicured grounds, head to the on-site restaurant. Here, you'll attend a private recital of classic Czech music performed by some of Prague's most talented musicians and enjoy a private dinner featuring regional specialties and local beer or wine. Please note: This excursion runs from January through mid October. The château does not have heat or air conditioning, therefore we recommend dressing accordingly based on the season.
