### Day 10: Valencia Cooking Class & Dinner

\$115 (4 hours, departs in the evening, dinner included)

Travel into Valencia's city center and join an expert chef for a cooking class to make one of the region's culinary staples: paella. This dish is typical in Valencia—it was invented here, after all—and since the region relies heavily on farming and is bounded on three sides by mountains, the original paella Valenciana you'll make features meat and vegetables, instead of seafood. Begin the night by sipping some sangria and munching on traditional Spanish appetizers. Then, work as a team to craft an authentic paella Valenciana. You'll hear about the fresh ingredients and cooking techniques needed to make the dish. After, sit down to taste your team's hard work, paired with sangria and followed by a tasty dessert. This excursion requires advance reservation and must be booked at least 20 days prior to departure.
