- View the stately Doge's Palace, a masterpiece of Venetian Gothic style that was built in 1340 and served as both the residence of the Doge (the supreme authority of the Republic of Venice) and the seat of the Venetian government.

This independent city-state within Rome serves as the headquarters of the Roman Catholic Church and is home to the Pope. Upon arrival, turn on your pre-distributed headset and dive into the Vatican's rich history with your local guide. First, visit the Vatican Museums, which are more than 500 years old and house many of the world's most important Classical- and Renaissance-era sculptures. Next, step inside the Sistine Chapel, whose frescoed ceiling is arguably Michelangelo's greatest masterpiece. Finally, pay a visit to the enormous St. Peter's Basilica, the epicenter of the Roman Catholic faith. The artists who have contributed to its glory are some of the best Italy has ever known: Bramante, Peruzzi, Raphael, and

Michelangelo. Masterpieces await at every turn, from Bernini's magnificent bronze canopy to Michelangelo's Pietà.

Please note: Should this excursion fall on a Sunday, it'll be moved to another day of the tour. Backpacks aren't allowed in the Vatican, and shorts and sleeveless shirts are strictly prohibited.
