Transportation & arrival

information

- Round-trip flights booked through Go Ahead Tours arrive in Melbourne and depart from Auckland (or Fiji on the tour extension). A representative from Go Ahead Tours will meet you at the airport and take you to your hotel. Please remain in the arrival lounge, as the representative might be escorting one of your fellow travelers to the bus at the time of your arrival.
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead Tours. Travelers who purchase their own flights may request airport transfers with Go Ahead Tours for an additional cost.
- Boat rides to the Great Barrier Reef and on Milford Sound are included in the price of your tour.
- Flights from Melbourne to Cairns, Cairns to Sydney, Sydney to Queenstown, and Queenstown to Auckland are included in the price of your tour. (The tour extension also includes a flight from Auckland to Fiji.)

Baggage allowance

- Airlines have varying weight restrictions on baggage. Some airlines may impose additional charges if you check any baggage; be advised that you are responsible for any such costs.
- Contact your airline for baggage size and weight restrictions for your flight, but please note that our travelers are restricted to one checked bag per person due to storage limitations on motor coaches and other transfers, which include flights.
- One carry-on bag of 45 total inches (length + width + height) is also permitted.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on bag.

Clothing & packing tips

- We recommend lightweight, loose-fitting clothing that can be easily layered to accommodate varying temperatures, as well as a light jacket or rainwear.

- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- The Australian sun can be very hot. Pack reef-safe sunscreen, sunglasses, and a hat. Bug repellent is also useful, as there can be flies during certain times of year.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.

Health

- At least 60 days prior to departure, check with your doctor or healthcare provider for the latest updates and entry requirements, or visit the Center for Disease Control and Prevention website at cdc.gov.
- Take particular care for sun exposure and drink plenty of liquids. If you choose to go swimming, be careful of powerful surf. Make sure to obey signs and lifeguards' orders, and always swim between the marked flags.
- Travelers prone to seasickness may want to take special precautions for the boat ride to the Great Barrier Reef and on Milford Sound.
- There are inherent risks associated with water activities, particularly for those with pre-existing medical conditions. Discuss your planned activities with your doctor or healthcare provider for the best advice on participation.
- If you have medication that you take daily, be sure you have enough for each day of the tour as well as any possible delays encountered.

- The majority of the hotels on this tour will have air conditioning.
- The strength of the air conditioning in South Pacific hotels is often not as strong or as cool as what you might be used to in the U.S. or Canada. When air conditioning is available, it is usually regulated seasonally and controlled centrally by the hotel.

- You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees.
- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.
