Passport, visa & entry requirements

- U.S. citizens need valid government-issued identification for air travel within the United States. If you plan to use a state-issued ID or driver's license on or after May 7, 2025, it will need to meet Real ID requirements. Real ID compliant versions of these IDs will have either a yellow or black star, white star inside a yellow or black circle, or a white star inside a bear in the top righthand corner. Please visit dhs.gov for more information.
- In order to enter the United States, Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- If you are not a U.S. or Canadian citizen, you must contact each destination country's consulate for your specific entry requirements.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to goaheadtours.com/entry-requirements and searching the code ANP.

Tour pacing & mobility

- You will walk for at least 2.5 hours daily across mostly flat terrain, including paved roads and gravel paths, with few hills.
- Travelers should be healthy enough to participate in all included walks without assistance. Adding excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times, as well as getting in and out of trains and boats.
- Go Ahead Tours and the Tour Director who accompanies your group are unable to provide special, individual mobility assistance to travelers on tour. The responsibility of the Tour Director is to ensure the group as a whole enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing, individualized assistance to any one traveler.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.
