

# New Year's Eve in Australia & New Zealand

Pre-departure information for your tour

## Passport, visa & entry requirements

- In order to enter Australia and New Zealand (and the Republic of Fiji on the tour extension), U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least two blank passport pages for entry stamps.
- U.S. and Canadian passport holders must purchase an individual visa from the Australian government's Electronic Travel Authority website ([eta.immi.gov.au](http://eta.immi.gov.au)) prior to departure.
- U.S. and Canadian passport holders must purchase an individual visa and pay an International Visitor Conservation and Tourism Levy on the New Zealand government's Electronic Travel Authority website [nzeta.immigration.govt.nz](http://nzeta.immigration.govt.nz) prior to departure.
- U.S. and Canadian citizens are automatically issued a visa upon arrival in Fiji (on the tour extension).
- If you are not a U.S. or Canadian citizen, you must contact each country's consulate for your specific entry requirements.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to [goaheadtours.com/entry-requirements](http://goaheadtours.com/entry-requirements) and searching the code AU8.

## Tour pacing & mobility

- You will walk for about 1 hour daily across mostly flat terrain, including paved roads and gravel paths, with few hills.
- Travelers should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times, as well as getting in and out of boats.
- Go Ahead Tours and the Tour Director who accompanies your group are unable to provide special, individual mobility assistance to travelers on tour. The responsibility of the Tour Director is to

ensure the group as a whole enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing, individualized assistance to any one traveler.

- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

## Transportation & arrival information

- Round-trip flights booked through Go Ahead Tours arrive in Sydney and depart from Auckland (or Nadi on the tour extension). A Go Ahead Tours representative will meet you at the airport and take you to your hotel. Please remain in the arrival lounge, as the representative might be escorting one of your fellow travelers to the bus at the time of your arrival.
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead Tours. Travelers who purchase their own flights may request airport transfers with Go Ahead Tours for an additional cost.
- Flights from Sydney to Cairns, Cairns to the Uluru Region, Alice Spring to Melbourne, Melbourne to Christchurch, and Queenstown to Rotorua, as well as a boat ride to the Great Barrier Reef, are included in the price of your tour. (The tour extension also includes a flight from Auckland to Nadi.)
- All other included transportation on this tour is by private motor coach.

## Baggage allowance

- Please note that our travelers are limited to one checked bag and one carry-on bag per person due to storage limitations on motor coaches and other transfers, which may include train connections or flights.
- Contact your airline(s) for baggage size and weight restrictions for your flights, which may include on-tour flights in addition to your round-trip flights to and from tour. Please note that your included on-tour flights may have more restrictive baggage limits.
- Some airlines may impose additional charges if you choose to check any baggage or

exceed baggage size and weight restrictions. Be advised that you are responsible for any baggage fees incurred on all flights.

- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on bag.

## Clothing & packing tips

- During the southern hemisphere's spring and summer seasons (September–February), we recommend lighter clothing with a warmer layer for cooler mornings and evenings.
- The Australian sun is very hot. Pack reef-safe sunscreen, sunglasses, and a hat. Bug repellent is also useful, as there can be flies in the Outback this time of year.
- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or special performance.

## Health

- At least 60 days prior to departure, check with your doctor or healthcare provider for the latest updates and entry requirements, or visit the Center for Disease Control and Prevention website at [cdc.gov](http://cdc.gov).
- Take particular care of sun exposure and drink plenty of liquids. If you choose to go swimming, be careful of powerful surf. Make sure to obey signs and lifeguards' orders, and always swim between the marked flags.
- Travelers prone to seasickness may want to take special precautions for the boat ride to the Great Barrier Reef.
- If you have medication that you take daily, be sure you have enough for each day of the tour as well as any possible delays encountered.
- If you have dietary restrictions and/or food allergies please notify Go Ahead Tours at least 30 days prior to your departure by logging in to your account and updating your traveler info. To update this information closer to your departure date, please call our Customer Experience Team.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to [goaheadtours.com/entry-requirements](http://goaheadtours.com/entry-requirements) and searching the code

## Cuisine

- Australian menus emphasize high-quality steaks and lamb chops, though meat pies are also popular. Regional specialties include shellfish (such as Sydney rock oysters and crabs) and smoked sausages brought to South Australia by German settlers. The national beverage is beer, and a visit to an Aussie pub is a popular pastime, but the country's wines are superb.
- In New Zealand, there are many good local varieties of fish and seafood, excellent lamb and fresh fruits, including kiwi and passion fruits. For lunch, tea rooms serve savory meat pies, quiche, and desserts.

## Electricity & air conditioning

- Australia, New Zealand, and Fiji operate on the standard 220-240 volts and use Types I plugs with three large, flat pins set on an angle.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other device without a built-in converter.
- The majority of the hotels on this tour will have air conditioning.
- Your hotels may provide hairdryers, irons, and other small appliances. However, these amenities cannot be guaranteed.

## Connectivity

- Wi-Fi is available in most hotels, though some charges may apply.
- There is no Wi-Fi on any of the motor coaches.
- Please contact your mobile service provider for information on roaming charges.

## Time zones

- You'll travel through Australian Central Standard Time (14.5 hours ahead of U.S. Eastern Standard Time) and Australian Eastern Standard Time (15 hours ahead of U.S. Eastern Standard Time).
- New Zealand is 17 hours ahead of U.S. Eastern Standard Time.

- Fiji is 16 hours ahead of U.S. Eastern Standard Time.
- When it's noon in New York, it's 1:30am in the Uluru Region, 2am in Cairns, 3am in Melbourne, and 5am in Queenstown (plus 4am in Fiji on the tour extension).

## Currency

- You will use the Australian dollar and the New Zealand dollar (plus the Fiji dollar on the tour extension).
- Better rates of exchange are usually available overseas, although it's worth ordering some currency from your local bank to use when you first arrive.
- We strongly advise that you take debit/bank cards and credit cards, which can be used to withdraw cash at local banks as needed.
- You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees.
- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.

## Tipping

- At the conclusion of your tour, it's customary to offer your Tour Director and driver a gratuity in local currency. Please keep current exchange rates in mind.
- We recommend tipping the equivalent of \$8USD to \$10USD per person per day for your Tour Director and the equivalent of \$3USD/CAD per person per day for your driver.
- If applicable, we also recommend the equivalent of \$2USD per local guide.
- Tips can only be paid in cash.

## Purchasing excursions on tour

- Most optional excursions will be available for

purchase while you are on tour.

- Your Tour Director will only accept cash (in USD only), Visa, or MasterCard as payment for excursions.
- Please be advised that if you pay for an excursion by credit card while on tour, it may take up to three months for your card to be charged.
- Some optional excursions may only be purchased in advance. See page four of your tour itinerary for more information.
