

Entry requirements

- This tour visits Greece, Albania, North Macedonia, Montenegro, and Croatia. In order to enter these countries, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least two blank passport pages for entry stamps.
- Beginning in 2025, U.S. and Canadian passport holders must register for an [ETIAS](#) travel authorization in order to enter many European countries.
- Passport holders from over 60 visa-exempt countries (including the U.S. and Canada) will need to apply for an ETIAS travel authorization in order to visit 30 European countries. That means that even if you've previously traveled to any of these European countries without a visa, starting in 2025, you'll need to get ETIAS authorization to visit them again. If you're traveling to multiple countries with this requirement, you only need to complete the form once. All Go Ahead travelers are responsible for obtaining their own ETIAS travel authorization before departure. For more details, please visit our [Help Center](#).
- If you are not a U.S. or Canadian citizen, you must contact each country's consulate for your specific entry requirements.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to [**goaheadtours.com/entry-requirements](https://goaheadtours.com/entry-requirements) and searching the code BSC.

The responsibility of the Tour Director is to ensure the group as a whole enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing, individualized assistance to any one traveler.

Cuisine

- Cuisine of the Balkans varies greatly by region. Greece's warm climate ensures a constant supply of fresh, high-quality fruits and vegetables. Salads served with aromatic olive oil, feta cheese, and oregano are plentiful. Grilled fish and meat are integral to

Greek cuisine, as well as squid and octopus. Don't miss the spinach and cheese pies called *spanikopita*.

- Foods in Albania are primarily composed of meat and vegetables. In the Tirana region, the coastal climate allows for fresh fruits, poultry, and fish from the Adriatic Sea such as sole, flounder, and perch.
- Traditional North Macedonian cuisine includes a combination of Balkan and Mediterranean classics made up of fresh fruits and vegetables, cheeses, and grilled meats.
- Food in Montenegro offers a variety of flavors. Potatoes, cabbage, ham, and sausage might make you feel at home but you may want to try something new such as *bakrdan* (a porridge of cornmeal, potato, and cheese) or the tasty *čevapi* kebab (a grilled meat patty).
- In Croatia, you may like to try traditional Balkan dishes, such as *duvec* (vegetables and meat), *moussaka* (eggplant and minced meat), *sarma* (minced meat and rice), and *raznjici* (grilled veal or pork). Thirsty? Almost every region of the country produces its own varieties of wine, each of which are quite delicious.

Electricity & air conditioning

- All destinations on this tour operate on the European standard 220-240 volts and use Types C or F plus with two small, round pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other device without a built-in converter.
- Your hotels may provide hairdryers, irons, and other small appliances. However, these amenities cannot be guaranteed.
- The majority of the hotels on this tour will have air conditioning.

Connectivity

- Wi-Fi is available in most hotels, though some charges may apply. In more remote locations, internet access may be limited and is not guaranteed.
- There is no Wi-Fi on any of the motor coaches.
- Please contact your mobile service provider

for information on roaming charges.
