- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to [goaheadtours.com/entry-requirements](https://goaheadtours.com/entry-requirements) and searching the code CRP.

## Arrival & Departure Information

- Round-trip flights booked through Go Ahead Tours arrive in and depart from San José.
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead Tours. Travelers who purchase their own flights may request airport transfers with Go Ahead Tours for an additional cost if they are arriving or departing on the standard day.
- When you arrive in San José, a Go Ahead representative will be waiting for you in the arrivals hall with a Go Ahead sign or a sign with your name(s). If you don't see a representative immediately, please be patient and stay in the arrivals area. They may be assisting another traveler who has also just arrived and will be back shortly.

- Contact your airline(s) for baggage size and weight restrictions for your flights.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on bag.
- Travelers must manage their own luggage throughout tour as porters are not guaranteed. This includes at hotels and airports.

## Clothing & Packing Tips

- We recommend packing lightweight, quick-dry and loose-fitting clothing that can be easily layered, as well as a light jacket or rainwear.
- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- You may also wish to pack a swimsuit, as there are opportunities to swim on tour.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.
- A sun hat, sunglasses, and rain gear will help you stay comfortable in all types of weather.
- Bug repellent is also useful, as mosquitos are common.
- Travelers prone to seasickness may want to take special precautions for the boat rides on tour.
- We recommend packing a reusable water bottle to cut down on single use plastic waste.
- Binoculars are handy for a closer look at local wildlife and scenery.
- Some travelers find a collapsible walking stick useful for long hikes.
- We recommend packing your Insurance Card (from your primary insurance provider)

in your carry on luggage.

- Breakfast each morning is also included at the hotel and is typically buffet style with hot and cold options.
- Costa Rican cuisine is based on staples like rice, black beans, and corn with beef, chicken, or fish. Fresh, locally grown fruit includes bananas, mangoes, pineapples, and avocados. Traditional desserts include custards, puddings, and simple cakes. Locally grown coffee is served strong and black, but hot milk is often available if you ask.

## Tippling

- At the conclusion of your tour, it is customary to offer your Tour Director and driver a gratuity in US dollars or local currency. Please keep current exchange rates in mind.
- We recommend tipping the equivalent of \$10USD to \$12USD per person per day for your Tour Director and the equivalent of \$3USD per person per day for your driver.
- If applicable, we also recommend the equivalent of \$2USD per local guide.
- Tips can only be paid in cash.
- The cost of portage is included in your tour price, and it is not necessary to tip baggage handlers.

## Currency

- You will use the Costa Rican colón and USD on this tour.
- Better rates of exchange are usually available overseas, although it's worth ordering some currency from your local bank to use when you first arrive.
- We strongly advise that you take debit/bank cards and credit cards, which can be used to withdraw cash at local banks as needed.
- You can use most debit/credit cards at ATMs on the international networks Cirrus

and Plus, but make sure to check with your home bank about withdrawal fees.

- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.
- Plan ahead and bring cash to tip your tour director, local guides, and bus drivers.

## Responsible Travel

- When you travel with EF Go Ahead Tours, you'll make a positive impact on the places you visit, and the people and animals you meet along the way. That's because our three core Responsible Travel commitments—protecting the environment, supporting local communities, and promoting animal welfare—are at the heart of every tour we offer.
- Travel, when done responsibly, can make an enormous socio-economic impact to communities. To maximize your impact, eat at locally owned restaurants and shop at local businesses. Ask your Tour Director to point out restaurants they recommend.
- Prepare for your trip: be aware of the monetary norms such as tipping and negotiating in a market, learn about the destination's forms of etiquette, and take some time to learn a few words in the local language.
- When interacting with locals, make sure to ask people for permission before you take their picture, and approach cultural differences with empathy and an open mind.
- EF Go Ahead Tours encourages our travelers to limit their waste while on the road, especially single use plastics. You can avoid single use plastics by packing your own toiletries, using electronic documents, and bringing a reusable water bottle and shopping bag. If you need to use plastics or paper, please recycle.
- Environment: On this tour, we recommend

the use of a reusable water bottle, as the local drinking water is safe for travelers or potable water is provided on the bus and/or hotel. Your Tour Director can provide additional guidance on local water standards. Make sure to bring a reusable water bottle to cut down on single use plastics.

- Environment: When visiting national parks, reserves, or other protected areas, please do not remove anything from the natural environment or leave any litter. Carry out what you carried in.
- Animal Welfare: Take the philosophies of World Animal Protection to heart during included tour activities and your free time. Do not touch, do not feed, and maintain a respectful distance from wild animals. Wild animals encountered on tour should be able to exhibit natural forms of behavior. If you feel we are not meeting these commitments, please share your feedback with us.
- Animal Welfare: Avoid buying any exploitative wildlife products such as tortoise shell or shark fin soup.
