

# Grand Tour of Europe: London to Rome

Pre-departure information for your tour

## Passport, Visa & Entry Requirements

- This tour visits the United Kingdom, France, the Netherlands, Germany, Switzerland, and Italy. In order to enter these countries, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least one blank passport page for entry stamps.
- Beginning in 2025, U.S. and Canadian passport holders must register for an [ETIAS](#) travel authorization in order to enter many European countries.
- Passport holders from over 60 visa-exempt countries (including the U.S. and Canada) will need to apply for an ETIAS travel authorization in order to visit 30 European countries. That means that even if you've previously traveled to any of these European countries without a visa, starting in 2025, you'll need to get ETIAS authorization to visit them again. If you're traveling to multiple countries with this requirement, you only need to complete the form once. All Go Ahead travelers are responsible for obtaining their own ETIAS travel authorization before departure. For more details, please visit our [Help Center](#).
- If you are not a U.S. or Canadian citizen, you must contact each country's consulate for your specific entry requirements.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to [goaheadtours.com/entry-requirements](#) and searching the code EUR.

## Arrival & Departure Information

- Round-trip flights booked through Go Ahead Tours arrive in London and depart from Rome (or Florence on the tour extension).
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead Tours. Travelers who purchase their own flights may request airport transfers with Go Ahead Tours for an additional cost if they are arriving or departing on the standard day.
- When you arrive in London, a driver from a

private chauffeur service will be standing at the arrival hall with your name on a message board. If you do not see your driver, please be patient and stay in the arrivals area. They may be assisting another traveler who has also just arrived and will be back shortly.

## Transportation on Tour

- This tour includes various modes of transportation, including train, boat, and private motor coach. Some modes of transportation will have raised platforms or steps and often not provide access to ramps or lifts.
- Train rides from London to Paris, Paris to Amsterdam, and Venice to Rome are included in the price of your tour.
- All other included transportation on this tour is by private motor coach.
- European train stations typically operate similarly to airports where security measures, such as baggage and body scanners, are common. Platforms are often spread out across large distances and require travelers to manage their luggage on escalators or stairs. Porterage services are not offered on train transfers and luggage storage on trains is extremely limited. Please keep in mind that trains may only be stopping at the stations for a few minutes; speed with loading and unloading may be imperative.

## Baggage Allowance & Expectations

- Please note that our travelers are limited to one checked bag and one carry-on bag per person due to storage limitations on motor coaches and trains.
- Some airlines may impose additional charges if you choose to exceed baggage size and weight restrictions. Be advised that you are responsible for any baggage fees incurred on all flights.
- Contact your airline(s) for baggage size and weight restrictions for your flights.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on bag.
- Travelers must manage their own luggage throughout tour as porters are not guaranteed. This includes at hotels, airports,

and boarding trains.

- Luggage storage on trains is extremely limited, and often requires travelers to lift their suitcases onto storage racks, sometimes above the seats.

## Clothing & Packing Tips

- We recommend packing lightweight, loose-fitting clothing that can be easily layered to accommodate varying temperatures, as well as a light jacket or rainwear.
- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.
- It is preferable not to visit churches or other religious sites with bare legs and shoulders (and entrance may be denied on this basis).
- We recommend packing a reusable water bottle to cut down on single use plastic waste.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other device without a built-in converter.
- We recommend packing your Insurance Card (from your primary insurance provider) in your carry on luggage.

## Meals & Cuisine

- This tour includes one lunch and four dinners. Included meals may be plated set menus, buffet or family style depending on the location. Dinners include one glass of beer, wine, or soft drink and water, coffee and tea.
- Breakfast each morning is also included at the hotel and is typically buffet style with hot and cold options.
- For traditional English fare at a reasonable price, try a pub meal of fish and chips or bangers and mash. Stilton cheese, steak and kidney pie, and Cumberland sausages are also worth a try.
- Modern-day London boasts an array of diverse international restaurants. Popular options for the adventurous palate include Indian, Thai, Chinese, Indonesian, Greek, and West African cuisines. Sip afternoon tea with delicious finger sandwiches and scones at

- Harrods for the ultimate in English tradition.
- For a picnic with French flair, stop at a small grocery store for cheeses, pâtés, cured meats, fresh-baked bread, and fruit. In the cities, sidewalk vendors are known for their steaming crepes, while mouthwatering pastries and hot café au lait beckon from cafes. In restaurants, the prix fixe option is a popular way to enjoy a set three- or four-course menu for a good price.
- Although lunch is generally served from noon until 2pm in France, dinner is served from 7:30pm onward. Those wishing to eat earlier can stop at a cafe, where light entrées and sandwiches are available throughout the afternoon and evening.
- In the Netherlands, simply prepared meat and fish dishes, substantial soups, and hearty stews are local staples. Snack food traditionally features fish—you might try maatje, raw green herrings served with onions—but pancakes, french fries, doughnuts, and waffles are just as plentiful.
- German food is hearty and substantial. Among the specialties are dumpling stews, sauerkraut, sausages, smoked cheeses, and dark breads. Bavaria produces some of the world's purest beers, and white German wines are exceptionally good.
- Swiss food is varied and sophisticated, and some popular dishes include sausages, breaded veal fillets, freshwater fish, and cheese dishes such as fondue and raclette. Be sure to try Swiss chocolate, which is among the world's finest.
- Venice and Northern Italy are known for flavorful meats and pastries.
- Roman food is typically freshly prepared and varies depending on the season. Must-try bites include cacio e pepe (a simple dish of pasta, cheese and pepper) and supplì (a fried rice ball similar to Sicily's arancini).
- For more authentic meals, try local trattorias, small restaurants set away from the main piazzas. A typical Italian meal includes wines and the occasional beer, followed by a few sips of after-dinner drinks like grappa or limoncello.
- On the tour extension, Tuscany is world-famous for its wine, oil, sauces, and pasta. Menus favor subtle, lighter pastas and desserts made with nuts, fruit, and honey.

Try a dish featuring the region's Chianina beef, perhaps the most prized breed of cattle in all of Italy. For wine, popular Tuscan reds include Chianti, Brunello di Montalcino, and Vino Nobile di Montepulciano, which are primarily made from the Sangiovese grape. Well-known white wines are also made around the San Gimignano region.

## Tipping

- At the conclusion of your tour, it is customary to offer your Tour Director and driver a gratuity in local currency. Please keep current exchange rates in mind.
- We recommend tipping the equivalent of \$10-\$12USD per person per day for your Tour Director and the equivalent of \$3USD per person per day for your driver.
- If applicable, we also recommend the equivalent of \$2USD per local guide.
- Tips can only be paid in cash.
- If you are traveling to multiple countries with different currencies and the same Tour Director, ask them what currency they prefer for their tip.
- The cost of portage is included in your tour price, and it is not necessary to tip baggage handlers.

## Currency

- You will use the Pound sterling in England, the Swiss franc in Switzerland, and the euro in France, the Netherlands, Germany, and Italy.
- Better rates of exchange are usually available overseas, although it's worth ordering some currency from your local bank to use when you first arrive.
- We strongly advise that you take debit/bank cards and credit cards, which can be used to withdraw cash at local banks as needed.
- You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your

tour.

- Plan ahead and bring cash to tip your tour director, local guides, and bus drivers. We also recommend keeping coins in the local currency on hand, as some public bathrooms may charge a fee for use.

## Responsible Travel

- When you travel with EF Go Ahead Tours, you'll make a positive impact on the places you visit, and the people and animals you meet along the way. That's because our three core Responsible Travel commitments—protecting the environment, supporting local communities, and promoting animal welfare—are at the heart of every tour we offer.
- Travel, when done responsibly, can make an enormous socio-economic impact to communities. To maximize your impact, eat at locally owned restaurants and shop at local businesses. Ask your Tour Director to point out restaurants they recommend.
- Prepare for your trip: be aware of the monetary norms such as tipping and negotiating in a market, learn about the destination's forms of etiquette, and take some time to learn a few words in the local language.
- When interacting with locals, make sure to ask people for permission before you take their picture, and approach cultural differences with empathy and an open mind.
- EF Go Ahead Tours encourages our travelers to limit their waste while on the road, especially single use plastics. You can avoid single use plastics by packing your own toiletries, using electronic documents, and bringing a reusable water bottle and shopping bag. If you need to use plastics or paper, please recycle.
- Environment: On this tour, we recommend the use of a reusable water bottle, as the local drinking water is safe for travelers. Your Tour Director can provide additional guidance on local water standards. Make sure to bring a reusable water bottle to cut down on single use plastics.
