

Passport & visa requirements

- In order to enter Greece, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least one blank passport page for entry stamps.
- There is no visa required for U.S. or Canadian citizens.
- If you are not a U.S. or Canadian citizen, you must contact each country's consulate for your specific entry requirements.

Tour pace

- On this guided tour, you'll walk for about 1.5 hours daily across uneven terrain, including paved roads and cobblestone streets, with steep hills and stairs.
- Travelers should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times, as well as getting in and out of boats.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

- Round-trip flights booked through Go Ahead arrive in Thessaloniki and depart from Athens. A Go Ahead representative will meet you at the airport and take you to your hotel. Please remain in the arrival lounge, as the representative might be escorting one of your fellow travelers to the bus at the time of your arrival.
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead. Travelers who purchase their own flights may request airport transfers with Go Ahead for an additional cost.
- Flights from Athens to Heraklion and Chania to Athens are included in the price of your tour.
- All other included transportation is by private

motor coach.

Baggage allowance

- Airlines have varying weight restrictions on baggage. Some airlines may impose additional charges if you choose to check any baggage; be advised that you are responsible for any such costs.
- Contact your airline for baggage size and weight restrictions for your flight, but please note that Go Ahead travelers are restricted to one checked bag per person due to storage limitations on motor coaches and other transfers, which may include train connections or flights.
- One carry-on bag of 45 total inches (length + width + height) is also permitted.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry on bag.

Clothing & packing tips

- We recommend packing lightweight, loose-fitting clothing that can be easily layered to accommodate varying temperatures, as well as a light jacket or rainwear.
- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.
- It is preferable not to visit churches or other religious sites with bare legs and shoulders (and entrance may be denied on this basis).

Health

- There are no major health risks associated with traveling to Greece.
- At least 60 days prior to departure, check with your doctor or healthcare provider for the latest updates and entry requirements, or visit the Center for Disease Control and Prevention website at [cdc.gov](https://www.cdc.gov).
- If you have medication that you take daily, be sure you have enough for each day of the tour as well as any possible delays encountered.
- If you have dietary restrictions and/or food allergies please notify Go Ahead at least 30 days prior to departure by logging in to your

Cuisine

- Greece's warm climate ensures a constant supply of fresh, high-quality fruits and vegetables. Salads served with aromatic olive oil, feta cheese, and oregano are plentiful. Simple grilled fish and meat are integral to Greek cuisine, as well as squid and octopus. Don't miss the spinach and cheese pies, called spanakopita.
- Sea breezes, mineral soil, and coastal climate all greatly influence the flavors present in popular Greek wines. Acidic and dry, Assyrtiko is one of the country's most well-known wines and thrives in the Macedonian region of Greece. Located outside of Thessaloniki, wine makers in the town of Epanomi are responsible for the resurgence of the fruity, fullbodied Malagousia wine. The dark red Mandilaria grape benefits from Crete's dry land and warm weather and is often blended with Kotsifali grapes to build a deeper color and complexity in the wine.

Electricity & air conditioning

- Greece operates on the European standard 220-240 volts and use Types C, E, or F plugs with two or three small, round pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other electrical device without a builtin converter.
- The strength of the air conditioning in European hotels is often not as strong or as cool as what you might be used to in the U.S. or Canada. When air conditioning is available, it is usually regulated seasonally and controlled centrally by the hotel.
- Hotels may provide hairdryers, irons, and other small appliances, but these amenities cannot be guaranteed.

Connectivity

- Wi-Fi is available in most hotels, though some charges may apply.
- There is no Wi-Fi on any of the motor

- We strongly advise that you take debit/bank cards and credit cards, which can be used to withdraw cash at local banks as needed.
- You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees.
- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.

- At the conclusion of your tour, it's customary to offer your Tour Director and driver a gratuity in local currency. Please keep current exchange rates in mind.

- If applicable, we also recommend the equivalent of \$2USD/CAD per local guide.
- Tips can only be paid in cash.
