New Year's Eve in London with Paris & Rome

Pre-departure information for your tour

Passport, visa & entry requirements

- This tour visits the United Kingdom, France, and Italy (plus Spain on the tour extension). In order to enter these countries, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least one blank passport page for entry stamps.
- Beginning in 2025, U.S. and Canadian passport holders must register for an ETIAS travel authorization in order to enter many European countries.
- Passport holders from over 60 visa-exempt countries (including the U.S. and Canada) will need to apply for an ETIAS travel authorization in order to visit 30 European countries. That means that even if you've previously traveled to any of these European countries without a visa, starting in 2025, you'll need to get ETIAS authorization to visit them again. If you're traveling to multiple countries with this requirement, you only need to complete the form once. All Go Ahead travelers are responsible for obtaining their own ETIAS travel authorization before departure. For more details, please visit our Help Center.
- If you are not a U.S. or Canadian citizen, you must contact each country's consulate for your specific entry requirements.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to goaheadtours.com/entry-requirements and searching the code LP6.

Tour pacing & mobility

- You will walk for at least 1 hour daily across mostly flat terrain, including paved roads and cobblestone streets, with few hills or stairs.
- Travelers should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times, as well as getting in and out of trains.
- Go Ahead Tours and the Tour Director who accompanies your group are unable to provide special, individual mobility assistance to travelers on tour. The responsibility of the Tour Director is to ensure the group as a whole enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing, individualized assistance to any one traveler.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

Transportation & arrival information

- Round-trip flights booked through Go Ahead Tours arrive in London and depart from Rome (or Madrid on the tour extension). When you first arrive in London, a driver from a private chauffeur service will be standing at the arrival gate with your name on a message board. If you do not see your driver, please remain in the arrival lounge, as the driver may be escorting one of your fellow travelers to the shuttle at the time of your arrival. For more details, please reference the London transfer information included in your Go Kit.
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead Tours. Travelers who purchase their own flights may request airport transfers with Go Ahead Tours for an additional cost.
- A train ride from London to Paris and a flight from Paris to Rome are included in the price of your tour. (The tour extension also includes a flight from Rome to Madrid.)
- All other included transportation on this tour is by private motor coach.

Baggage allowance

- Please note that our travelers are limited to one checked bag and one personal item per person due to storage limitations on motor coaches and other transfers, which may include train connections or flights.
- Contact your airline(s) for baggage size and weight restrictions for your flights, which may include on-tour flights in addition to your round-trip flights to and from tour. Please note that your included on-tour flights may have more restrictive baggage limits.
- Some airlines may impose additional charges if you choose to check any baggage or exceed baggage size and weight restrictions. Be advised that you are responsible for any baggage fees incurred on all flights.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on bag.
- Porterage is not included for the train transfers. Travelers must be comfortable lifting and carrying all luggage over steps, onto platforms, and into luggage storage. The storage space on the train is extremely limited, so we recommended traveling with only one suitcase per person (and a personal item such, as a backpack or purse).

Clothing & packing tips

- Winter in the destinations you'll visit on tour are generally mild. However, to ensure you're comfortable for outdoor sightseeing and celebrations, we recommend packing a warm coat, hat, and gloves, as well as rainwear.
- We also suggest packing lightweight, loose-fitting clothing that can easily be layered.
- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- If you plan to visit a high-end restaurant or attend a special performance, you may also want to bring dressier attire.

Cuisine

- For traditional English fare at a reasonable price, try a pub meal of fish and chips or bangers and mash. Stilton cheese, steak and kidney pie, and Cumberland sausages are also worth a try.
- Modern-day London boasts an array of diverse international restaurants. Popular options for the adventurous palate include Indian, Thai, Chinese, Indonesian, Greek, and West African cuisine. Sip afternoon tea with delicious finger sandwiches and scones at Harrods for the ultimate in English tradition.
- For a picnic with French flair, stop at a small grocery store for cheeses, pâtés, cured meats, fresh-baked bread, and fruit. In the cities, sidewalk vendors are known for their steaming crepes, while mouthwatering pastries and hot *café au lait* beckon from cafes. In restaurants, the prix fixe option is a popular way to enjoy a set three- or four-course menu for a good price.
- Although lunch is generally served from noon until 2pm in France, dinner is served from 7:30pm onward. Those wishing to eat earlier can stop at a cafe, where light entrées and sandwiches are available throughout the afternoon and evening.
- Roman food is typically freshly prepared and varies depending on the season. Must-try bites include *cacio e pepe* (a simple dish of pasta, cheese, and pepper) and *supplí* (a fried rice ball similar to Sicily's *arancini*).
- For more authentic meals, try local *trattorias*, small restaurants set away from the main piazzas. A typical Italian meal includes wines and the occasional beer, followed by a few sips of after-dinner drinks like *grappa* or *limoncello*.
- On the tour extension in Spain, breakfast like a local with just a pastry and coffee. Then, tuck into a three-course lunch featuring a Spanish staple like savory seafood paella or grilled meat and fried potatoes. Dinner is less hearty than lunch and is served late, between 9pm and midnight. Snack on small plates called tapas any time of day.

- The United Kingdom operates on 240 volts and uses a Type G plug with three large, flat pins.
- France operates on the European standard 220-240 volts and uses Types C, E, or F plugs with two small, round pins.

- Spain (on the tour extension) operates on the European standard 220-240 volts and uses Types C or F plugs with two small, round pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other electrical device without a built-in converter.
- Your hotels may provide hairdryers, irons, and other small appliances. However, these amenities cannot be guaranteed.

Connectivity

Currency

- You will use the Pound sterling in the United Kingdom as well as the euro in France and Italy (as well as in Spain on the tour extension).
- Better rates of exchange are usually available overseas, although it's worth ordering some currency from your local bank to use when you first arrive.
- We strongly advise that you take debit/bank cards and credit cards, which can be used to withdraw cash at local banks as needed.
- You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees.
- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.

Tipping

- At the conclusion of your tour, it's customary to offer your Tour Director and driver a gratuity in local currency. Please keep current exchange rates in mind.
- We recommend tipping the equivalent of $8USD to $10USD per person per day for your Tour Director and the equivalent of $3USD per person per day for your driver.
- If applicable, we also recommend the equivalent of $2USD per local guide.
- Tips can only be paid in cash.

- If you have not yet purchased your optional excursions, you may be able to do so while you are on tour.
- Your Tour Director will only accept cash (in USD only), Visa, or MasterCard as payment for excursions.
