

Passport, visa & entry requirements

- In order to enter France, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least one blank passport page for entry stamps.
- Beginning in 2025, U.S. and Canadian passport holders must register for an [ETIAS](#) travel authorization in order to enter many European countries.
- Passport holders from over 60 visa-exempt countries (including the U.S. and Canada) will need to apply for an ETIAS travel authorization in order to visit 30 European countries. That means that even if you've previously traveled to any of these European countries without a visa, starting in 2025, you'll need to get ETIAS authorization to visit them again. If you're traveling to multiple countries with this requirement, you only need to complete the form once. All Go Ahead travelers are responsible for obtaining their own ETIAS travel authorization before departure. For more details, please visit our [Help Center](#).
- If you are not a U.S. or Canadian citizen, you must contact your destination country's consulate for your specific entry requirements.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to ****[goaheadtours.com/entry-requirements](#)**** and searching the code PVN.

Tour pacing & mobility

- You will walk for at least 2 hours daily across mostly flat terrain, including paved roads, unpaved trails, and sandy paths, with some steep hills.
- Travelers should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times.
- Go Ahead Tours and the Tour Director who accompanies your group are unable to

provide special, individual mobility assistance to travelers on tour. The responsibility of the Tour Director is to ensure the group as a whole enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing, individualized assistance to any one traveler.

- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

Cuisine

- For a picnic with French flair, stop at a small grocery store for cheeses, *pâtés*, cured meats, fresh-baked bread, and fruit. In the cities, sidewalk vendors are known for their steaming crepes, while mouthwatering pastries and hot *café au lait* beckon from cafes. In restaurants, the prix fixe option is a popular way to enjoy a set three- or four-course menu for a good price.
- Although lunch is generally served from noon until 2pm in France, dinner is served from 7:30pm onward. Those wishing to eat earlier can stop at a cafe, where light entrées and sandwiches are available throughout the afternoon and evening.

Electricity & air conditioning

- France operates on the European standard 220-240 volts and uses Types C, E, or F plugs with two small, round pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other electrical

device without a built-in converter.

- The majority of the hotels on this tour will have air conditioning. The strength of the air conditioning in European hotels is often not as strong or as cool as what you might be used to in the U.S. or Canada. When air conditioning is available, it is usually regulated seasonally and controlled centrally by the hotel.
- Your hotels may provide hairdryers, irons, and other small appliances. However, these amenities cannot be guaranteed.

Connectivity

- Wi-Fi is available in most hotels, though some charges may apply.
- There is no Wi-Fi on any of the motor coaches.
- Please contact your mobile service provider for information on roaming charges.

Time zones

- France is one hour ahead of Greenwich Mean Time (GMT) and six hours ahead of Eastern Time (ET).
- When it's noon in New York, it's 6pm on tour.

Currency

- You will use the euro on tour.
- Better rates of exchange are usually available overseas, although it's worth ordering some currency from your local bank to use when you first arrive.
- We strongly advise that you take debit/bank cards and credit cards, which can be used to withdraw cash at local banks as needed.
- You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees.
- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your

tour.

Tipping

- At the conclusion of your tour, it's customary to offer your Tour Director and driver a gratuity in local currency. Please keep current exchange rates in mind.
- We recommend tipping the equivalent of \$8USD to \$10USD per person per day for your Tour Director and the equivalent of \$3USD per person per day for your driver.
- If applicable, we also recommend the equivalent of \$2USD per local guide.
- Tips can only be paid in cash.

Purchasing excursions on tour

- Most optional excursions will be available for purchase while you are on tour.
- Your Tour Director will only accept cash (in USD only), Visa, or MasterCard as payment for excursions.
- Please be advised that if you pay for an excursion by credit card while on tour, it may take up to three months for your card to be charged.
- Some optional excursions may only be purchased in advance. See page four of your tour itinerary for more information.
