Pre-departure information for your tour

About the Rocky Mountaineer Train

- Travelers will enjoy a two-day ride aboard the Rocky Mountaineer train from Denver, Colorado to Moab, Utah. SilverLeaf service is included as part of your tour package, but you can choose to upgrade to SilverLeaf Plus service for an additional cost. This upgrade must be purchased at least 90 days prior to departure.
- Here are some of the benefits and reasons we recommend travelers upgrade to SilverLeaf Plus service:
- SilverLeaf Plus includes all the benefits of the exceptional SilverLeaf Service, plus exclusive access to the newly renovated lounge car. Featuring signature cocktails, the lounge car offers additional space indoors to relax and soak in the scenery as it passes you by, as well as a small outdoor viewing area.
- Passengers in SilverLeaf Plus enjoy an elevated dining experience with an additional course during select meals, and premium alcoholic beverages.
- Tips for portage, meals, and other services provided aboard the Rocky Mountaineer are included in the tour price. Travelers are responsible for tipping Tour Directors, bus drivers, and local guides at the end of their tour.

Passport, visa & entry requirements

- U.S. citizens need valid government-issued identification for air travel within the United States. If you plan to use a state-issued ID or driver's license on or after May 7, 2025, it will need to meet Real ID requirements. Real ID compliant versions of these IDs will have either a yellow or black star, white star inside a yellow or black circle, or a white star inside a bear in the top righthand corner. Please visit [dhs.gov](https://www.dhs.gov) for more information.
- In order to enter the United States, Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- If you are not a U.S. or Canadian citizen, you must contact each destination country's consulate for your specific entry requirements.

- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to goaheadtours.com/entry-requirements and searching the code RAM.

Tour pacing & mobility

- You will walk for at least 2 hours daily across mostly flat terrain, including paved trails and dirt paths, with some hills. Some activities will take place at high altitudes.

- You should feel comfortable managing your own baggage at times.
- Go Ahead Tours and the Tour Director who accompanies your group are unable to provide special, individual mobility assistance to travelers on tour. The responsibility of the Tour Director is to ensure the group as a whole enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing, individualized assistance to any one traveler.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.
