## Passport, visa & entry requirements

- In order to enter the United Kingdom and Ireland, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least one blank passport page for entry stamps.
- There is no visa required for U.S. or Canadian citizens.
- If you are not a U.S. or Canadian citizen, you must contact each country's consulate for your specific entry requirements.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to [goaheadtours.com/entry-requirements](https://goaheadtours.com/entry-requirements) and searching the code SCI.

## Tour pacing & mobility

- You will walk for about 1.5 hours daily across mostly flat terrain, including paved roads and cobblestone streets, with few hills or stairs.
- Travelers should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

- Contact your airline for baggage size and weight restrictions for your flight, but please note that our travelers are restricted to one checked bag per person due to storage limitations on motor coaches and other transfers, which may include train connections or flights.
- One carry-on bag of 45 total inches (length + width + height) is also permitted.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on bag.

## Clothing & packing tips

- We recommend packing lightweight, loose-fitting clothing that can be easily layered to accommodate varying temperatures, as well as a light jacket or rainwear.
- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.

## Cuisine

- Scottish cuisine relies on readily available ingredients like game, dairy, and fish, with little use of exotic spices. Pickled kippers and smoked salmon are popular as well as hearty dishes like Scotch broth (stew of meat and root vegetables) and haggis (a savory pudding of sheep innards). Scotch whisky is a legendary local spirit, and Scottish ales are world-famous.
- Irish pubs serve up hearty lunches, such as the traditional stew of bacon and boiled cabbage. Soda bread is delicious, very filling, and served with many meals. Nibble a scone at afternoon tea with a pat of high-quality butter from County Kerry. Guinness stout is an international sensation, but locals might favor Murphy's, depending on where you are.
- Dublin has seen something of a culinary revolution, and the city now boasts an impressive array of new restaurants offering exciting cuisine with continental European, Asian, and even American influences.

## Electricity & air conditioning

- The United Kingdom and Ireland operate within 230-240 volts and use a Type G plug with three large, flat pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other device without a built-in converter.
- The strength of the air conditioning in European hotels is often not as strong or as cool as what you might be used to in the U.S. or Canada. When air conditioning is available, it is usually regulated seasonally
