

Passport, visa & entry requirements

- In order to enter Tanzania, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least two blank passport pages for entry stamps.
- U.S. and Canadian passport holders must obtain a visa in order to enter Tanzania. While it is possible to obtain a visa at the border, we strongly recommend purchasing your visa in advance as wait times upon arrival can exceed 2 hours. You can purchase an electronic visa on the [Tanzanian Electronic Visa Portal website](#). You may also submit a request for a paper visa by visiting your local embassy or purchase your visa in advance by using a visa provider, such as our partner [VisaCentral](#). You will need to have your visa receipt with you upon arrival in Tanzania.
- If you are not a U.S. or Canadian citizen, you must contact each destination country's consulate for your specific entry requirements.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to goaheadtours.com/entry-requirements and searching the code TWS.

Tour pacing & mobility

- You will walk less than 1 hour daily across mostly flat terrain, including paved roads and unpaved trails.
- Travelers should be healthy enough to participate in all included walks without assistance. You should feel comfortable managing your own baggage at times.
- This tour also includes long bumpy rides in safari vehicles. You should feel comfortable stepping up and down to get in and out of the vehicles, standing for long periods of time, and maintaining your balance while the vehicle is parked and in motion.
- Go Ahead Tours and the Tour Director who accompanies your group are unable to provide special, individual mobility assistance to travelers on tour. The responsibility of the Tour Director is to

ensure the group as a whole enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing, individualized assistance to any one traveler.

- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

Transportation & arrival information

- Round-trip flights booked through Go Ahead Tours arrive in and depart from Kilimanjaro Airport (or from Dar es Salaam on the tour extension). A representative from Go Ahead Tours will meet you at the airport and take you to your hotel. Please remain in the arrival lounge, as the representative might be escorting one of your fellow travelers to the bus at the time of your arrival.
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead Tours. Travelers who purchase their own flights may request airport transfers with Go Ahead Tours for an additional cost.
- During your game drives, you'll travel in a specially equipped 4x4 safari land cruiser. The vehicle is open, allowing for panoramic views. Window seats are guaranteed for all travelers. Transfers between parks are long and cross bumpy terrain, so we recommend bringing a small pillow to ease the ride.
- A flight from Kilimanjaro Airport to Stone Town, Zanzibar and a flight from Stone Town, Zanzibar to Dar es Salaam, Tanzania are included in the price of the tour extension.

Baggage allowance

- Airlines have varying weight restrictions on baggage. Some airlines may impose additional charges if you choose to check any baggage; be advised that you are responsible for any such costs.
- Contact your airline for baggage size and weight restrictions for your flight, but please note that our travelers are restricted to one checked bag per person due to storage limitations on safari vehicles.
- Make sure you label your baggage and keep

valuables, medication, and documents in your carry-on bag. Safari luggage restrictions are strict and strongly enforced. It's essential that your luggage meet the following requirements:* A soft, flexible duffel bag (absolutely no hard suitcases or bags with hard sides are permitted)

- Your bags can be no larger than 34" W x 17" H x 15" L
- The total weight cannot exceed 44 pounds (including your camera equipment and carry-on bag)

Clothing & packing tips

- Loose-fitting, layered clothing that can accommodate varying temperatures will be most comfortable. Quick-dry material is best for hot days outside and a warmer layer may be needed for chilly evenings and early mornings.
- Wear muted colors for game drives, as bright clothing may scare animals away and blue or black clothing attracts tsetse flies.
- Comfortable closed-toe shoes, such as sneakers or lightweight hiking boots, are best for walking during the day.
- We recommended bringing a cushion or pillow to be comfortable in the safari vehicles during long transfers.
- Pack a swimsuit as many of the hotels have pools that you are free to use at your leisure.
- Sun protection is very important. Bring sunscreen, sunglasses, and a broad-brimmed hat to protect your face and the back of your neck from the sun.
- Occasional rain showers are common during certain seasons, so lightweight rainwear may be necessary depending on the timing of your trip.
- Mosquito repellent, binoculars, and a flashlight are highly recommended.
- A small bottle of hand sanitizer may be helpful when other facilities are not readily available while on the road.
- The Tanzanian government has a strict ban on plastic bags. As of June 1, 2019, it is illegal to use, sell, or carry plastic bags anywhere in the country under the new law, and violators will face charges including high fines or imprisonment. Please bring reusable cloth bags if you plan to go shopping on

tour, and do not pack any plastic bags, including small resealable bags.

Health

- At least 60 days prior to departure, check with your doctor or healthcare provider for the latest updates and entry requirements, or visit the Center for Disease Control and Prevention website at [cdc.gov](https://www.cdc.gov).
- Local governments may require proof of a yellow fever vaccination (often referred to as a yellow card) or a statement of medical exemption from the vaccine. This is only required of travelers arriving from a country with a risk of yellow fever virus transmission (Please note: This does not include the U.S. or Canada). Visit [cdc.gov/yellowfever](https://www.cdc.gov/yellowfever) for more information.
- Drink bottled water only. Refrain from ingesting tap water, including when brushing your teeth.
- Avoid eating fresh fruits and vegetables unless they're cooked or washed in clean water and peeled.
- Travelers should be prepared for exposure to the elements including intense heat, sun, and rain.
- Bring a small first aid kit, including antacids, anti-diarrhea medication, motion sickness medication, and any prescription medications in your carry-on bag.
- If you have medication that you take daily, be sure you have enough for each day of the tour and any possible delays encountered.
- If you have dietary restrictions and/or food allergies please notify Go Ahead Tours at least 30 days prior to your departure by logging in to your account and updating your traveler info. To update this information closer to your departure date, please call our Customer Experience Team.
- You can see the most up-to-date entry requirements for the destination(s) you'll visit on tour by going to goaheadtours.com/entry-requirements and searching the code TWS.

Cuisine

- Spicy foods are common in Tanzania, and many dishes are infused with coconut milk. Meals consist of maize, tender grilled meats,

maize porridge, and local vegetables. Most restaurants offer curries and other South Asian cuisine brought over by the many Indian immigrants.

Electricity & air conditioning

- Tanzania operates on 220-240 volts and uses a Type G plug with three large, flat pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other device without a built-in converter.
- Not all of the hotels on this tour will have air conditioning.
- Your hotels may provide hairdryers, irons, and other small appliances. However, these amenities cannot be guaranteed.
- Power outages are common. In some of the camps, power is turned off in the late afternoon as well as in the early morning.

Connectivity

- Wi-Fi is available in some hotels, though charges may apply.
- There is no Wi-Fi on any of the motor coaches or safari vehicles.
- Please contact your mobile service provider for information on roaming charges.

Time zones

- Tanzania is three hours ahead of Greenwich Mean Time (GMT) and eight hours ahead of Eastern Time (ET). Tanzania does not observe Daylight Saving Time.
- From November through March, when it's noon in New York, it's 8pm on tour. From April through October, when it's noon in New York, it's 7pm on tour.

Currency

- You'll use the Tanzanian shilling on tour.
- Please note, travelers cannot export more than \$5,000 in Tanzanian shillings from Tanzania.
- We recommend that you carry as little local cash as possible as well as small amounts of U.S. dollars (only crisp bills printed in 2004 or later).
- Major North American credit cards are

accepted but can be difficult to use in remote locations (Visa is the most widely accepted).

- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.
- We suggest that you inform your bank and credit card company of your travel plans, so that they won't confuse your international purchases for fraudulent charges.

Tipping

- At the conclusion of your tour, it's customary to offer your driver/guide a gratuity in USD. We recommend tipping \$8USD to \$10USD per person per day.
- If applicable, we also recommend \$2USD per local guide.
- Tips can only be paid in cash.
- Gratuities for baggage handling are included in the price of your tour.
- You can also expect to be solicited for tips from the hospitality and restaurant staff that you encounter. Leaving as little as \$1USD is greatly appreciated, although tipping is entirely at your discretion.

Tour Director

- Your guide for this tour will be different than a typical Tour Director. You will be met by a representative from Go AheadTours upon arrival and will then meet your guide the morning of your first full day on tour. He or she will act as both your tour guide and driver for the duration of your tour.

Shopping

- You will have the opportunity to shop for local handicrafts, such as wood carvings and textiles, at outdoor markets and roadside stalls. Some lodges will have boutiques on the premises as well.
- Prices at most markets are negotiable, so don't be afraid to bargain—it's a great way to strike up a conversation with a local.

Items to give or trade

- Many Africans are fond of North American goods, and travelers often bring token items (such as T-shirts, baseball caps, pens, English-language books, small toys, and crayons for children) to offer as gifts or when bartering for souvenirs.
- When visiting the local school, it is customary to bring small gifts, school supplies, or donations.
- Offering local children candy or gum is somewhat controversial because of the potential lack of access to dental care.
- Go Ahead Tours strongly recommends that you don't bring any goods that will require batteries or chargers.
