

## Passport, visa & entry requirements

You may choose to obtain your Cambodia visa at the port of entry (you will need \$30USD and two passport-sized photos), by purchasing an electronic visa on the [Cambodian Ministry of Foreign Affairs](#), by applying directly to the Cambodian consulate, or by using a visa provider, such as our partner company, [VisaCentral](#).

## Tour Director

- You will have three separate Tour Directors on this tour; one in Vietnam, another in Cambodia, and one more in Thailand.

your round-trip flights to and from tour. Please note that your included on-tour flights may have more restrictive baggage limits.

- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- Waterproof shoes or sandals, a swimsuit, sunscreen, and insect repellent are recommended for outdoor activities.
- Binoculars are handy for a closer look at local wildlife and scenery.
- A small bottle of hand sanitizer may be helpful when other facilities are not readily available while on the road.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.
- It is preferable not to visit temples or other religious sites with bare legs and shoulders (and entrance may be denied on this basis).

- At least 60 days prior to departure, check with your doctor or healthcare provider for the latest updates and entry requirements, or visit the Center for Disease Control and Prevention website at [cdc.gov](https://www.cdc.gov).
- Please be sure to take proper care with sun exposure as the sun can be especially strong in some of the areas you are visiting.
- Temperatures in this region can exceed 100 degrees Fahrenheit (30 degrees Celsius), especially during the summer months. Drinking plenty of water, limiting your alcohol intake, and using proper sun protection is extremely important in order to prevent the effects of dehydration and heat

stroke.

- There are inherent risks associated with water activities, particularly for those with pre-existing medical conditions. Discuss your planned activities with your doctor or healthcare provider for the best advice on participation.
- Drink bottled water only. Refrain from drinking tap water, including when brushing your teeth.
- Avoid eating fresh fruits and vegetables unless they are cooked or washed in clean water and peeled.

## Cuisine

- Flavorful Vietnamese cuisine relies on mint, coriander, cinnamon, ginger, lime, lemongrass, and Thai basil. Foods are cooked minimally, from lightly grilled meats to blanched vegetables. Seafood is popular, usually flavored with ginger, as are chicken, duck, and pork. Don't miss dishes like spicy beef noodle soup and banh mi, a baguette stuffed with paté, cold cuts, and pickled vegetables.
- International influence is evident in the Khmer cuisine of Cambodia, where full flavor is created through the mix of herbs and spices such as sweet basil, Asian coriander, mint, lemongrass, and pepper. The base of almost all Cambodian dishes is rice or noodles, served with a curry, soup, or

vegetable stir-fry. Grilled freshwater fish is popular, and the fermented fish paste known as prahok is a traditional seasoning.

- Traditional Thai cooking uses market-fresh ingredients seasoned with a mix of herbs, spices, and condiments such as chili peppers and fish sauce. The main staple is rice. Most meals include a soup, a curry, a steamed or fried dish, and a salad.

## Electricity & air conditioning

- Vietnam, Cambodia, and Thailand operate on 230 volts.
- Vietnam uses Types A, E, or F plugs with two flat pins, two round pins, or three round pins, respectively.
- Cambodia uses Types A, C, or G plugs with two flat pins, two round pins, or three flat pins, respectively.
- Thailand uses Types A, B, C, or O plugs with two flat pins, two flat and one round pin, or two or three round pins, respectively.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other device without a built-in converter.
- The strength of the air conditioning in Asian hotels is often not as strong or as cool as what you might be used to in the U.S. or Canada. When air conditioning is available, it is usually regulated seasonally and controlled centrally by the hotel.
- Your hotels may provide hairdryers, irons, and other small appliances. However, these amenities cannot be guaranteed.

## Connectivity

- Wi-Fi is available in most hotels, though some charges may apply.
- There is no Wi-Fi on any of the motor coaches.
- Please contact your mobile service provider for information on roaming charges.

## Time zones

- Vietnam, Cambodia, and Thailand are 11 hours ahead of Eastern Time (ET).
- When it's 9am in New York, it's 8pm the same day in Vietnam, Cambodia, and Thailand.

## Currency

- You will use the Vietnamese dong in Vietnam, Cambodian riel (or U.S. dollars) in Cambodia, and the Thai baht in Thailand.
- In Cambodia, U.S. dollars are accepted everywhere, though change may be given in riel. Most hotels, restaurants, shops, taxis, buses, and airlines list their prices in U.S. dollars, but small transactions (less than a dollar) are usually conducted in riel. Always carry small amounts of riel for motorcycle taxis, snacks, and other small purchases.
- Better rates of exchange are usually available overseas, although it's worth ordering some currency from your local bank to use when you first arrive.
- We strongly advise that you take debit/bank cards and credit cards, which can be used to withdraw cash at local banks as needed.
- You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees.
- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.

## Tipping

- At the conclusion of your tour, it's customary to offer your Tour Director and driver a gratuity in local currency. Please keep current exchange rates in mind.
- We recommend tipping the equivalent of \$8USD to \$10USD per person per day for your Tour Director and the equivalent of \$3USD per person per day for your driver.
- If applicable, we also recommend the equivalent of \$2USD per local guide.
- Tips can only be paid in cash.

  - Some optional excursions may only be purchased in advance. See page four of your tour itinerary for more information.
