

Scottish Heritage Tour: Edinburgh, the Highlands & Glasgow

Pre-departure information for your tour

About your Heritage Tour

- This tour was created in collaboration with Ancestry®, the global leader in family history and consumer genomics. Ancestry® harnesses the information found in family trees, historical records, and DNA to help people gain a new level of understanding about their lives.
- As part of your tour package, you'll receive an AncestryDNA® kit within one month of booking your trip. Please complete the simple test as soon as possible to receive your DNA results.
- Prior to your tour, we will contact you to schedule your 5-hour pre-trip family history review with AncestryProGenealogists®.
- A genealogist from AncestryProGenealogists® specializing in Scottish research will accompany your group and provide unique genealogical and heritage insight throughout the entire trip.
- Ancestry® offers customized ancestral home visits during and after the main trip for an additional cost. With these, one of the AncestryProGenealogists® staff will accompany you to the exact town, village or parish, in Scotland where your own specific ancestors lived. If you're interested in an ancestral home visit, ask about organizing one during your pre-trip family history review.

- We recommend having at least one blank passport page for entry stamps.
- There is no visa required for U.S. or Canadian citizens.
- If you are not a U.S. or Canadian citizen, you must contact your destination country's consulate for your specific entry requirements.

Tour pace

- You will walk for about 1.5 hours daily across moderately uneven terrain, including cobblestone streets and paved roads, with

some hills and stairs.

- Travelers should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times.
- Go Ahead Tours and the Tour Director who accompanies your group are unable to provide special, individual mobility assistance to travelers on tour. The responsibility of the Tour Director is to ensure the group as a whole enjoys a relaxing and informative journey, and he or she cannot be relied upon to provide ongoing, individualized assistance to any one traveler.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

and smoked salmon are popular, as well as hearty dishes like Scotch broth (stew of meat and root vegetables) and haggis (a savory pudding of sheep innards). Scotch whisky is a legendary local spirit, and Scottish ales are world-famous.

Electricity & air conditioning

- The United Kingdom operates within 230-240 volts and use a Type G plug with three large, flat pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other device without a built-in converter.
- The strength of the air conditioning in European hotels is often not as strong or as cool as what you might be used to in the U.S. or Canada. When air conditioning is available, it is usually regulated seasonally and controlled centrally by the hotel.
- Your hotels may provide hairdryers, irons, and other small appliances. However, these amenities cannot be guaranteed.

Connectivity

- Wi-Fi is available in most hotels, though some charges may apply.
- There is no Wi-Fi on any of the motor coaches.
- Please contact your mobile service provider for information on roaming charges.

Time zones

- The United Kingdom operates on Greenwich Mean Time (GMT) and is five hours ahead of Eastern Time (ET).
- When it's noon in New York, it's 5pm on tour.

Currency

- You will use the Pound sterling on tour.
- Better rates of exchange are usually available overseas, although it's worth ordering some currency from your local bank to use when you first arrive.
- We strongly advise that you take debit/bank cards and credit cards, which can be used to withdraw cash at local banks as needed.

- You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees.
- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.

Tipping

- At the conclusion of your tour, it's customary to offer your Tour Director and driver a gratuity in local currency. Please keep current exchange rates in mind.
- We recommend tipping the equivalent of \$7USD to \$10USD per person per day for your Tour Director and the equivalent of \$3USD per person per day for your driver.
- If applicable, we also recommend the equivalent of \$2USD per local guide.
- Tips can only be paid in cash.

Purchasing excursions on tour

- Most optional excursions will be available for purchase while you are on tour.
- Your Tour Director will only accept cash (in USD only), Visa, or MasterCard as payment for excursions.
- Please be advised that if you pay for an excursion by credit card while on tour, it may take up to three months for your card to be charged.
