

A Week in Ireland: St. Patrick's Day

PRE-DEPARTURE INFORMATION FOR YOUR TOUR

Passport & visa requirements

- In order to enter Ireland, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least one blank passport page for entry stamps.
- There is no visa required for U.S. or Canadian citizens.
- If you are not a U.S. or Canadian citizen, you must contact your destination country's consulate for your specific entry requirements.

Tour pace

- You will walk for about 1.5 hours daily across moderately uneven terrain, including paved roads and cobblestone streets with some hills and stairs.
- Travelers should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

Transportation & arrival information

- Round-trip flights booked through Go Ahead Tours arrive in Shannon and depart from Dublin. A representative from Go Ahead Tours will meet you at the airport and take you to your hotel. Please remain in the arrival lounge, as the representative might be escorting one of your fellow travelers to the bus at the time of your arrival.
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead Tours. Travelers who purchase their own flights may request airport transfers with Go Ahead Tours for an additional cost.
- All other included transportation is by private motor coach.

Baggage allowance

- Airlines have varying weight restrictions on baggage.

Some airlines may impose additional charges if you choose to check any baggage; be advised that you are responsible for any such costs.

- Contact your airline for baggage size and weight restrictions for your flight, but please note that our travelers are restricted to one checked bag per person due to storage limitations on motor coaches and other transfers, which may include train connections or flights.
- One carry-on bag of 45 total inches (length + width + height) is also permitted.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on bag.

Clothing & packing tips

- We recommend packing lightweight, loose-fitting clothing that can be easily layered to accommodate varying temperatures, as well as a light jacket or rainwear.
- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.
- It is preferable not to visit churches or other religious sites with bare legs and shoulders (and entrance may be denied on this basis).

Health

- There are no major health risks associated with traveling to any of the countries on this tour.
- At least 60 days prior to departure, check with your doctor or healthcare provider for the latest updates and entry requirements, or visit the Center for Disease Control and Prevention website at cdc.gov.
- If you have medication that you take daily, be sure you have enough for each day of the tour as well as any possible delays encountered.
- If you have dietary restrictions and/or food allergies please notify Go Ahead Tours at least 30 days prior to departure by logging in to your account and updating your traveler info. To update this information closer to your departure date, please call our Customer Experience Team.

Cuisine

- Irish pubs serve up hearty lunches, such as the traditional stew of bacon and boiled cabbage. Soda bread is delicious, very filling, and served with many a meal. Nibble a scone at afternoon tea, with a pat of high-quality butter from County Kerry. Guinness stout is an international sensation, but locals might favor Murphy's, depending on where you are.
- Dublin has seen something of a culinary revolution, and the city now boasts an impressive array of new restaurants offering exciting cuisine with continental European, Asian and even American influences.

Electricity & air conditioning

- Ireland operates within 230-240 volts and uses a Type G plug with three large, flat pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other electrical device without a built-in converter.
- The strength of the air conditioning in European hotels is often not as strong or as cool as what you might be used to in the U.S. or Canada. When air conditioning is available, it is usually regulated seasonally and controlled centrally by the hotel.
- Hotels may provide hairdryers, irons, and other small appliances, but these amenities cannot be guaranteed.

Connectivity

- Wi-Fi is available in most hotels, though charges may apply.
- There is no internet access on the motor coach.
- Please contact your mobile service provider for information on roaming charges.

Time zones

- Ireland is on Greenwich Mean Time (GMT), which is five hours ahead of Eastern Time (ET).
- When it's noon in New York, it's 5pm in Dublin.

Currency

- You will use the euro in Ireland.
- Better rates of exchange are usually available
