

Passport & visa requirements

- This tour visits Hungary, Austria, and the Czech Republic. In order to enter these countries, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least one blank passport page for entry stamps.
- There is no visa required for U.S. or Canadian citizens.
- If you are not a U.S. or Canadian citizen, you must contact each country's consulate for your specific entry requirements.

Tour pace

- You will walk for about 3 hours daily across mostly flat terrain with some cobblestone streets, hills and stairs.
- Travelers should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

Transportation & arrival information

- Round-trip flights booked through Go Ahead Tours arrive in Budapest and depart from Prague (or Munich on the tour extension). A representative from Go Ahead Tours will meet you at the airport and take you to your hotel. Please remain in the arrival lounge, as the representative might be escorting one of your fellow travelers to the bus at the time of your arrival.
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead Tours. Travelers who purchase their own flights may request airport transfers with Go Ahead Tours for an additional cost. (Please note that on the extension, the travel time between Salzburg and Munich is approximately two hours, and should be considered for travelers purchasing their own airfare.)
- All other included transportation on this tour is by

private motor coach.

Baggage allowance

- Airlines have varying weight restrictions on baggage. Some airlines may impose additional charges if you choose to check any baggage; be advised that you are responsible for any such costs.
- Contact your airline for baggage size and weight restrictions for your flight, but please note that our travelers are restricted to one checked bag per person due to storage limitations on motor coaches and other transfers, which may include train connections or flights.
- One carry-on bag of 45 total inches (length + width + height) is also permitted.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on bag.

Clothing & packing tips

- We recommend packing lightweight, loose-fitting clothing that can be easily layered to accommodate varying temperatures, as well as a light jacket or rainwear.
- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.
- It is preferable not to visit churches or other religious sites with bare legs and shoulders (and entrance may be denied on this basis).

Health

- There are no major health risks associated with traveling to any of the countries on this tour.
- At least 60 days prior to departure, check with your doctor or healthcare provider for the latest updates and entry requirements, or visit the Center for Disease Control and Prevention website at [cdc.gov](https://www.cdc.gov).
- If you have medication that you take daily, be sure you have enough for each day of the tour as well as any possible delays encountered.
- If you have dietary restrictions and/or food allergies please notify Go Ahead Tours at least 30 days prior to departure by logging in to your account and

updating your traveler info. To update this information closer to your departure date, please call our Customer Experience Team.

Cuisine

- Hungary claims goulash as its national dish, but also is known for excellent salamis, cheeses, nut-flavored pancakes, freshwater fish, and preserved fruits.
- Austria is known for its savory Wiener schnitzel and excellent wild trout, carp, and crayfish. Save room for dessert—especially the strudels of fruit and nuts and elegant chocolate cakes, such as the world-famous Sachertorte.
- Czech food is hearty, and you'll find large portions of veal, beef, and potato dishes. Some of the world's finest beers are produced here, including the original Budweiser and Pils.

Electricity & air conditioning

- All destinations visited on this tour operate on the European standard 220-240 volts and use Types C, E, or F plugs with two small, round pins.
- We recommend packing a universal adapter, as well as a voltage converter if you plan on using your own hairdryer or other device without a built-in converter.
- The strength of the air conditioning in European hotels is often not as strong or as cool as what you might be used to in the U.S. or Canada. When air conditioning is available, it is usually regulated seasonally and controlled centrally by the hotel.
- Your hotels may provide hairdryers, irons, and other small appliances. However, these amenities cannot be guaranteed.

Connectivity

- Wi-Fi is available in most hotels, though some charges may apply. In more remote locations, internet access may be limited and is not guaranteed.
- There is no Wi-Fi on any of the motor coaches.
- Please contact your mobile service provider for information on roaming charges.

Time zones

- Better rates of exchange are usually available overseas, although it's worth ordering some currency from your local bank to use when you first arrive.
- We strongly advise that you take debit/bank cards and credit cards, which can be used to withdraw cash at local banks as needed.
- You can use most debit/credit cards at ATMs on the international networks Cirrus and Plus, but make sure to check with your home bank about withdrawal fees.
- Inform your bank and credit card company of your travel plans so that they won't confuse your international purchases for fraudulent charges.
- International banks and businesses primarily accept debit and credit cards that work with the EMV chip system. If you do not already have at least one debit or credit card with a chip in it, we strongly recommend requesting one from your bank prior to your tour.

Tipping

- At the conclusion of your tour, it's customary to offer your Tour Director and driver a gratuity in local currency. Please keep current exchange rates in mind.
- We recommend tipping the equivalent of \$7USD to \$10USD per person per day for your Tour Director and the equivalent of \$3USD per person per day for your driver.
- If applicable, we also recommend the equivalent of \$2USD per local guide.
- Tips can only be paid in cash.

Purchasing excursions on tour

- Most optional excursions will be available for purchase while you are on your tour.
- Your Tour Director will only accept cash (in USD only), Visa, or MasterCard as payment for optional

excursions.

- Please be advised that if you pay for an excursion by credit card while on tour, it may take up to three months for your card to be charged.
- Some optional excursions may only be purchased in advance. See page four of your tour itinerary for more information. International travel is, by its very nature, unpredictable. We must therefore reserve the right to change this itinerary, without advance notice, to meet with local conditions at the time of travel. We appreciate your understanding.
