Passport & visa requirements

- This tour visits Switzerland, France, Italy, Austria, Liechtenstein, and Germany. In order to enter these countries, U.S. and Canadian citizens need a valid passport with an expiration date extending at least six months beyond the date of reentry.
- We recommend having at least one blank passport page for entry stamps.
- There is no visa required for U.S. or Canadian citizens.
- If you are not a U.S. or Canadian citizen, you must contact each country's consulate for your specific entry requirements.

Tour pace

- You will walk for about 1 hour daily across moderately uneven terrain, including paved roads and cobblestone streets, with few hills or stairs.
- Travelers should be healthy enough to participate in all included walks without assistance. Adding optional excursions may increase the total amount of walking on your tour.
- You should feel comfortable managing your own baggage at times as well as getting in and out of trains.
- If you have any mobility concerns or physical restrictions, please contact our Customer Experience Team.

Transportation & arrival information

- Round-trip flights booked through Go Ahead Tours arrive in Zurich and depart from Munich. A representative from Go Ahead Tours will meet you at the airport and take you to your hotel. Please remain in the arrival lounge, as the representative might be escorting one of your fellow travelers to the bus at the time of your arrival.
- Transfers to and from the airport at your destination are included for travelers who have purchased their flights through Go Ahead Tours. Travelers who purchase their own flights may request airport transfers with Go Ahead Tours for an additional cost. (Please note that on the extension, the travel time between Salzburg and Munich is approximately two hours, and should be considered for travelers purchasing their own airfare.)
- All other included transportation on this tour is by

private motor coach.

Baggage allowance

- Airlines have varying weight restrictions on baggage. Some airlines may impose additional charges if you choose to check any baggage; be advised that you are responsible for any such costs.
- Contact your airline for baggage size and weight restrictions for your flight, but please note that our travelers are restricted to one checked bag per person due to storage limitations on motor coaches and other transfers, which may include train connections or flights.
- One carry-on bag of 45 total inches (length + width + height) is also permitted.
- Make sure you label your baggage and keep valuables, medication, and documents in your carry-on bag.

Clothing & packing tips

- We recommend packing lightweight, loose-fitting clothing that can be easily layered to accommodate varying temperatures, as well as a light jacket or rainwear.
- A sturdy pair of walking shoes or sneakers is recommended for sightseeing.
- You may want to pack dressier attire if you plan to visit a high-end restaurant or attend a special performance.
- It is preferable not to visit churches or other religious sites with bare legs and shoulders (and entrance may be denied on this basis).

Health

- There are no major health risks associated with traveling to any of the countries on this tour.
- At least 60 days prior to departure, check with your doctor or healthcare provider for the latest updates and entry requirements, or visit the Center for Disease Control and Prevention website at cdc.gov.

Cuisine

- Swiss food is varied and sophisticated, and some popular dishes include sausages, breaded veal fillets, freshwater fish, and cheese dishes such as fondue and raclette. Be sure to try Swiss chocolate, which is among the world's finest.
- For a picnic with French flair, stop at a small grocery store for cheeses, pâtés, cured meats, fresh-baked bread, and fruit. In the cities, sidewalk vendors are known for their steaming crepes, while mouthwatering pastries and hot café au lait beckon from cafes. In restaurants, the prix fixe option is a popular way to enjoy a set three- or four-course menu for a good price.
- Northern Italy is known for flavorful meats and pastries.
- For more authentic meals, try local trattorias, small restaurants set away from the main piazzas. A typical Italian meal includes wines and the occasional beer, followed by a few sips of after-dinner drinks like grappa or limoncello.
- Austria is known for its savory Wiener schnitzel and excellent wild trout, carp, and crayfish. Save room for dessert—especially the strudels of fruit and nuts and elegant chocolate cakes, such as the world-famous Sachertorte.
- German food is hearty and substantial. Among the specialties are dumpling stews, sauerkraut, sausages, smoked cheeses, and dark breads. Bavaria produces some of the world's purest beers, and white German wines are exceptionally good.

- All destinations visited on this tour operate on the European standard 220-240 volts and use Types C, E, or F plugs with two small, round pins. You may also use a Type J plug with three small pins in Switzerland and a Type L plug with three small pins in Italy.
